

Anne of Green Gables – The Ballet
Local Participant Roles

Canada's Ballet Jörgen and Cache Valley Center for the Arts are looking for a total of 8-10 male and female dancers to perform with the company in their performance of *Anne of Green Gables – The Ballet*.

The cast will be assembled from local area students, based on a recommendation by their dance teacher. The cast will rehearse as follows:

October 12th: 4:00-5:30pm, Carousel Ballroom – Bullen Center, 43 South Main, Logan, Utah

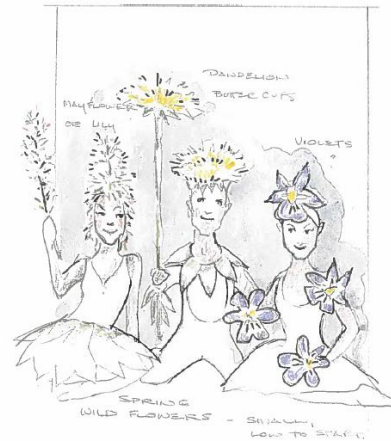

October 13th: 2-3 hours, onstage with the Company – Ellen Eccles Theatre

The candidates will need to learn the choreography quickly, listen well, and follow and retain directions easily. They must have good stage presence and carry themselves well. There are few 'formal' dance steps.

To gain a role and perform in your local performance of *Anne of Green Gables – The Ballet*, students must apply for a role and teachers must submit a recommendation for that student. To fill out and submit these forms, please visit canadaballetjorgen.ca/education/youth-participant-programs/anne-local-participant-program/. Teachers making recommendations will need the password – contact us for this.

To register, we will be collecting the student's name, date of birth, phone number, email address, height, waist & chest measurements, and guardian contact information.

Canada's Ballet Jörgen's Education Manager will select the student dancers from the list of online recommendations for your region and then contact the teachers and participants with the casting results.
